Sir,

Reference: From the President , Taluk Board , Udipi Roc.No. 320/33/U.T.B. dated 18-6-1933.

Forwarded.

2. I have gone ~~through~~ this question carefully in consultation with the District Medical Officer , South Kanara and am of opinion that it is not possible either to reduce the strength of the staff employed in the medical institutions at Barkur and Shirwa or to reduce

their pay as the institutions have just the minimum staff necessary to run them, on scales of pay far less than the scales sanctioned to Government servants of similar status.

I would therefore recommend that the Udipi Taluk Board may be exempted from the operation of the restrictions imposed by G.O.No.1778 L&M., dated 16-5-1932.

I have the honour to be

Sir,

Your most obedient Servant,

K.S 20.7.33

G.O.No. 1778 L&M., dated 16-5-1932 lays down that the maximum amount of expenditure that may be incurred by a Taluk Board on a Medical establishment including Clerks and menials, should not exceed Rs 20/- per annum per patient on the daily average of both in-patients and out-patients of a dispensary.

2. The average attendance of the Barkur

L.F.Dispensary for the year 1932-33 is reported to be 70.50 while that of the Shirwa L.F.dispensary - for the same period is said to be 51.53, and the - amount of expenditure on the establishment for the said period incurred by the Taluk Board was Rs 1766-5-0 and Rs 1834-13-0 respectively.

3. From the above figures it is seen that the expenditure by the Taluk Board exceeds the limit fixed by the Government. The establishments in both the dispensaries are paid less than what the Government are paying to similar establishments in the Provincial service, the scales of pay fixed by the Taluk Board and the actual salary now drawn by each subordinate being as shown in the margin .

	Annual	Actual
Medical officers. Barkur) Shirwa)	60-5-125	75 each
I Class Midwife Shirwa.	25-1- 35	25
II class Midwife Barkur.. ..	20-1-30	24
Compounders ..	25-1- 35	28 each
Ward coolies	12-1- 15	15 each
Thoty	10	10 each

In the interest of the efficient running of the institutions neither the scales of pay can be reduced nor the establishments curtailed. I have therefore the honour to request that the Government may be pleased to accord special sanction to retain the establishments with their sanctioned scales of pay already in force. If this is not possible, instructions may be kindly issued as to how the expenditure can be ~~incurred~~ cut down.

I have the honour to be,

Sir,

Your most obedient servant,

President.
